

# PACK 4034 SUMMER EVENTS SCHEDULE

We make a point as a pack to schedule at least 2 events each month throughout the summer to keep the boys engaged and excited about scouting. Please try to attend as many of these fun events as possible - the events are open to the whole family, so bring everyone along and have some summer fun! **Summertime activities are not drop off events, parents need to stay and help supervise their scout.**

## JUNE

**Twin River Fishing Fair** - Pere Marquette
