

What Will We Do?

Friday Night

Arrive at camp

Check-in and set up tents

Night Hike

No dinner will be provided, please eat before you arrive.

Saturday

After the morning flag ceremony and a quick breakfast, we will do announcements and rules then begin our activities. There will be 4 stations to rotate through, including learning first aid, dino dig, a service project, and capture the flag. The focus is fun and learning about camping. Lunch will be quick and easy, but wait until you see and smell what our Webelos are cooking for dinner!

Sunday Morning

A short non-denominational service will take place before flags and a hot and hearty breakfast. Camp break down and a Leave No Trace inspection will follow. Then head home with plenty of pictures and great memories!

A note about flag ceremony: This is one of the most important parts of the day. Those who miss flag ceremony will eat last.
