

# PACK 4034 SUMMER EVENTS SCHEDULE

Below is the Summer schedule for our pack. We make a point as a pack to schedule at least 2 events each month throughout the summer to keep the boys engaged and excited about scouting. Please try to attend as many of these fun events as possible - the events are open to the whole family, so bring everyone along and have some summer fun!

Summertime activities are not drop off events, parents need to stay and help supervise their scout.

## JUNE
